

## Point of View - Fill in the Blanks

### 1st, 2nd and 3rd Person Narration

*Every story has a narrator, and every narrator has a different point of view. Which point of view is yours? Let's go!*

Everybody wants to know my point of view,  
First person is \_\_\_\_\_, second person is \_\_\_\_\_.  
Third person is \_\_\_\_\_, third person is \_\_\_\_\_,  
Everybody wants to know my POV.

Knock knock, who's there? Narrator? Narrator who?  
Narrator who's gonna tell a story from a point of view.  
Every story's written in a certain \_\_\_\_\_,  
When you're writing, you need to make a choice.  
First, second or third person POV,  
The first person is all about \_\_\_\_\_,  
Or we, like: We climbed up a tree,  
And I closed my eyes and felt the breeze.  
I might be \_\_\_\_\_ if I don't tell the truth,  
Now let's switch the point of view to you.  
In the \_\_\_\_\_ person, You're in a taxi,  
You're wondering how you got there exactly.  
The third person is \_\_\_\_\_ or \_\_\_\_\_,  
He walked down the street, and he saw the queen,  
She was dressed hip like it wasn't a thing,  
That's the third person, take it from him.  
Third person narration could be objective,  
Omniscient or from a limited \_\_\_\_\_.  
Can the narrator see in everyone's thoughts,  
Narrating \_\_\_\_\_ like a boss?

Everybody wants to know my point of view,  
First person is \_\_\_\_\_, second person is \_\_\_\_\_.  
Third person is \_\_\_\_\_, third person is \_\_\_\_\_,  
Everybody wants to know my POV.

Alright now check your notes,
