

## Of Mice and Men

### Reflection Questions

*Answer all of the following questions on a separate page in complete sentences.*

#### **Chapter 2 (3 x /5)**

1. What are the two future trouble spots that George sees for him and Lennie in Chapter 2? Explain what those are and why they seem like potential problems.
2. Why do the other characters show surprise and interest when they learn that Lennie and George are travel companions? What is the situation for most men at the ranch? Why is it especially weird that these two particular individuals have travelled around so closely.
3. Based on what you have read in the first two chapters; do you think Lennie will be able to keep out of trouble? Explain your answer.

#### **Personal Connection (/10)**

Remember or imagine a situation where you came to a new place full of new people. You probably met someone that got on your nerves immediately or that you knew would cause you trouble as soon as you met them. Explain a situation like this in detail, and explain how you (or could/should have) handled the situation.

#### **Vocabulary: Apprehensive (p.32) (or apprehensively)**

Use this word correctly in your answer. (/5)
